

Basirat Hamayoon

As a dedicated student specializing in Information Technology and Web and Mobile App Development, I take pride in being a responsible and organized individual. With a particular focus on frontend development, I have honed my skills in creating user-friendly interfaces and engaging experiences. My academic journey has equipped me with a solid foundation in coding, design, and project management. I am enthusiastic about the opportunity to gain my first work experience, where I can apply my skills and knowledge in a professional setting while contributing positively to a team. Eager to learn and grow, I look forward to the challenges and rewards that come with real-world experience.
